SUBJECT/OBJECT: **Registering PROVINCIAL Union and CLUB Board Members or Board of Directors**

Dear Member Unions,

Beginning for the 2007 / 2008 Registration and Insurance period all Provincial Union, Sub Union and Club Board of Directors or Board Members **MUST** be registered with Rugby Canada. There are no exceptions to this policy and for our Insurer. As part of this registration process, all Provincial Union, Sub Union and Club Board of Directors will be covered with a "Director's and Officers" Liability policy. This policy will protect all members of all boards against any legal action resulting from any activity of a member of the club, school or fellow board member. Any Provincial Union, Sub Union and Club who do not register all members of their board is (1) in direct convention of the registration regulations as set forth by both Rugby Canada and the Provincial Unions and (2) will nullify the D & O coverage for all those on the board who are properly registered.

It is very important that Provincial Union and Sub Union comply immediately **AND** that the Provincial Union offices communicate this information to your clubs immediately. Many clubs purchase their own D & O policy and we need try and prevent duplication and ensure compliance as soon as possible.

A copy of the Directors and Officers Policy that has been secured will be sent to your office immediately by myself and this document can be forwarded in its entirety to all club and schools as well as any Sub Unions within some Provinces so they have access to the policy and wording readily available.

Should you have any further questions, please do not hesitate to contact me at bkreasul@rugbycanada.ca or at (905) 780-8998 extension 237.

Sincerely,
Rugby Canada
